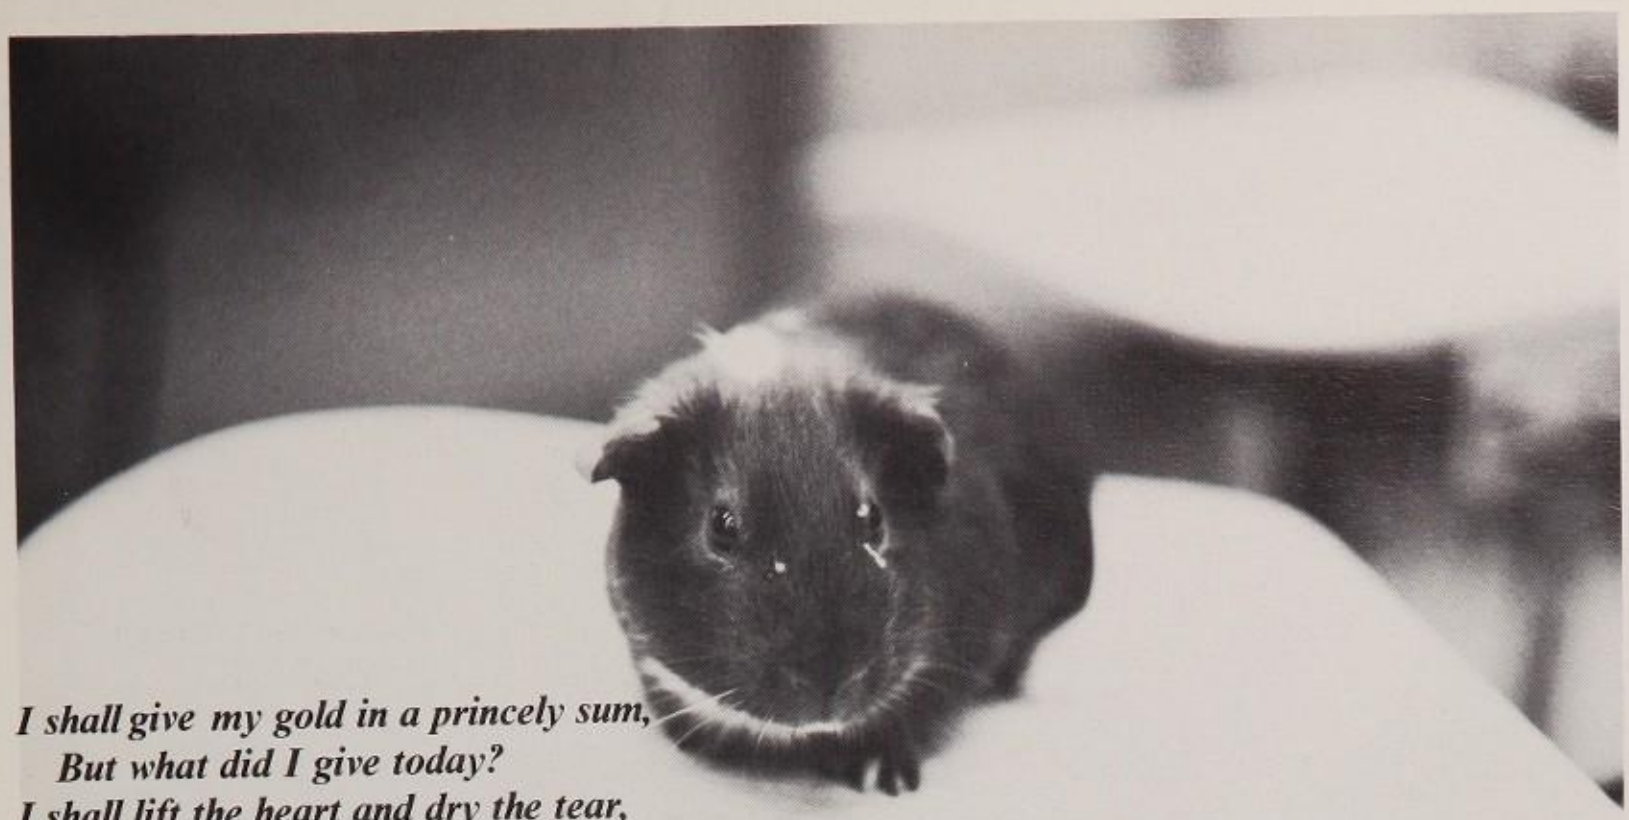
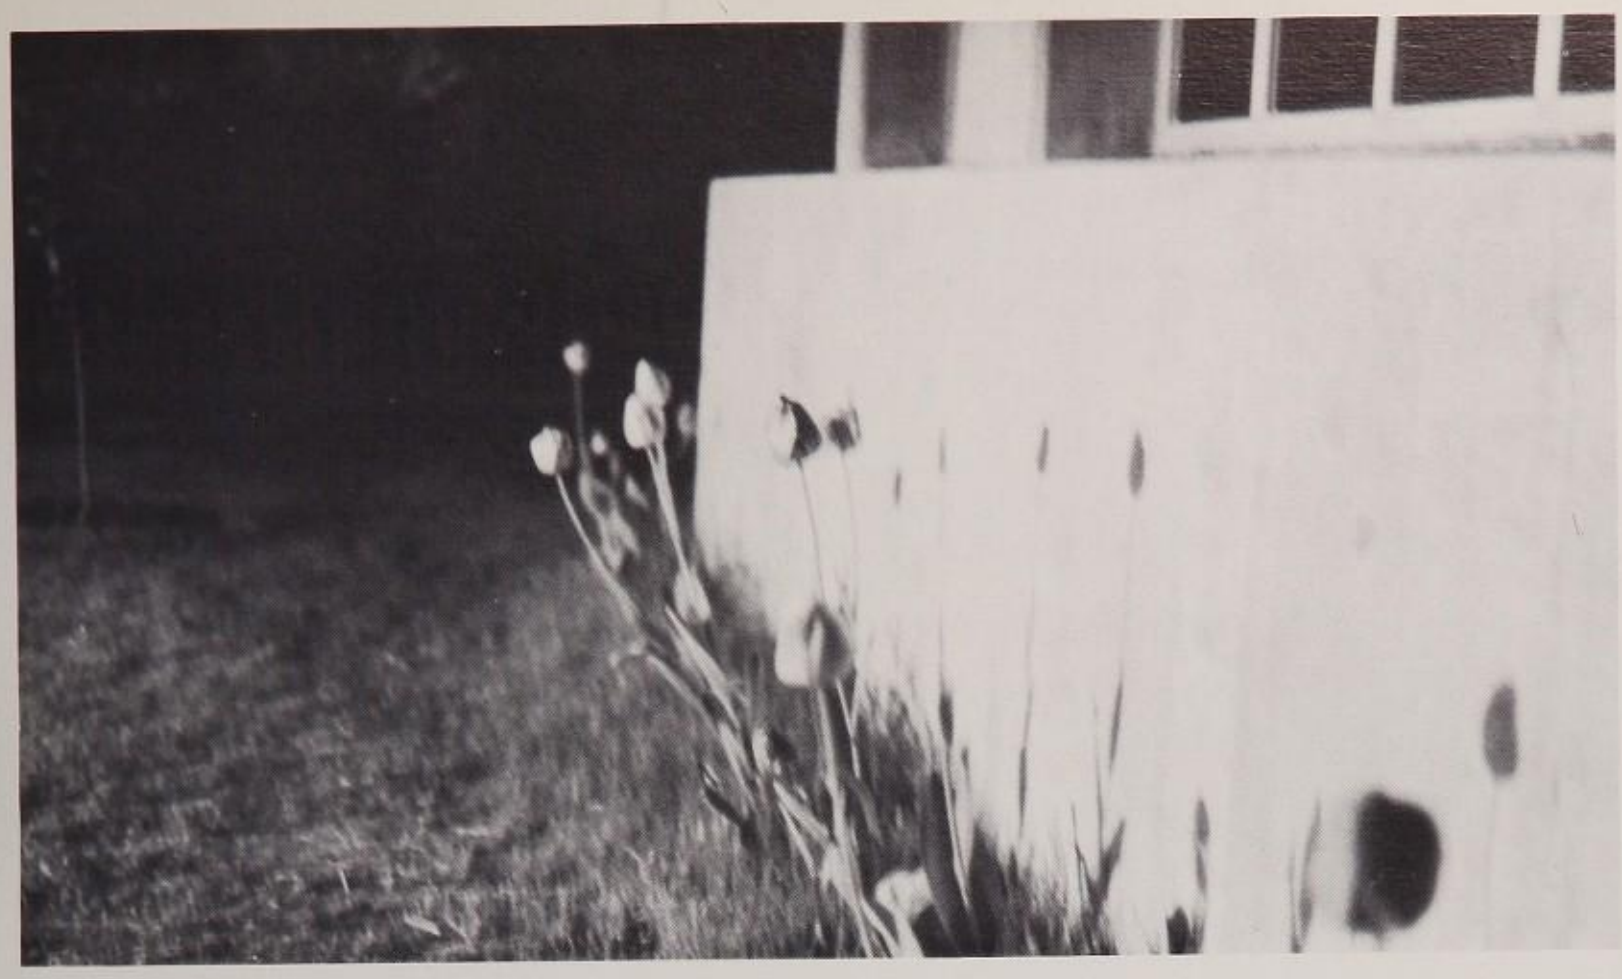
I shall do much in the years to come,
But what have I done today?

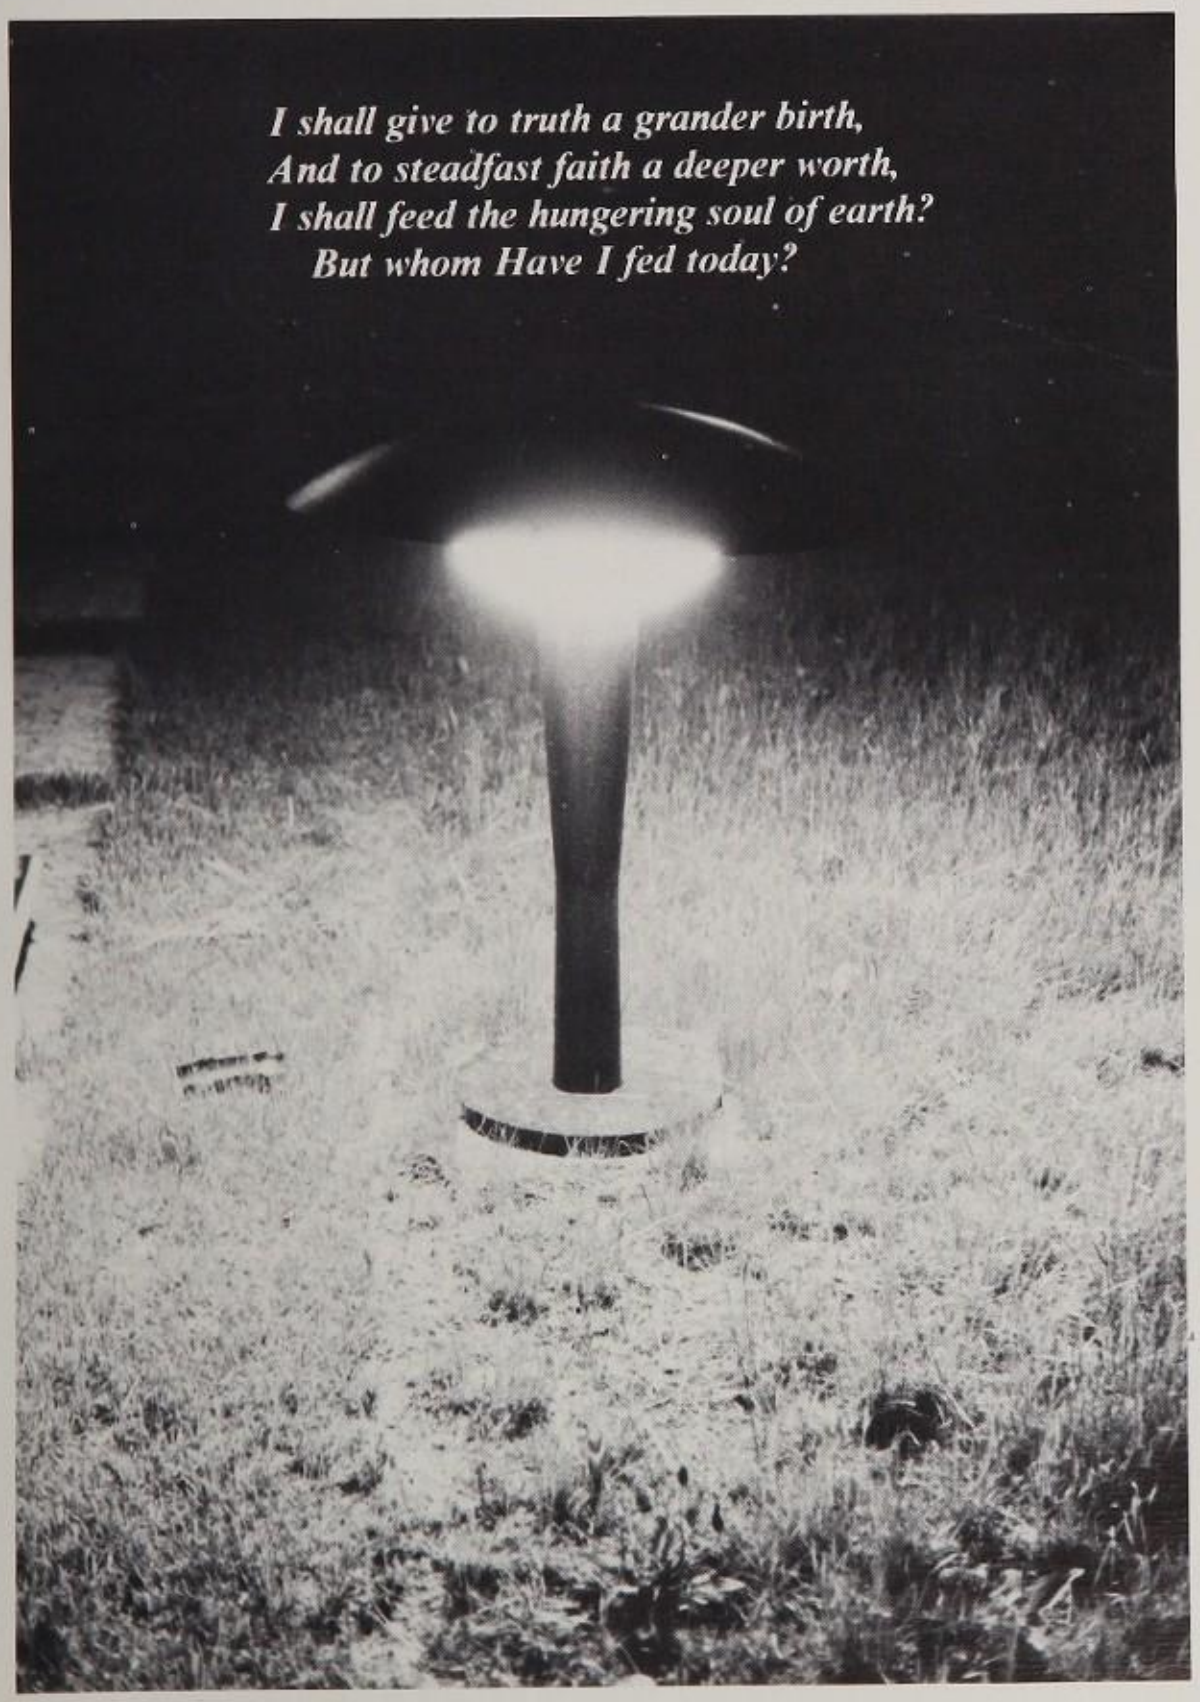


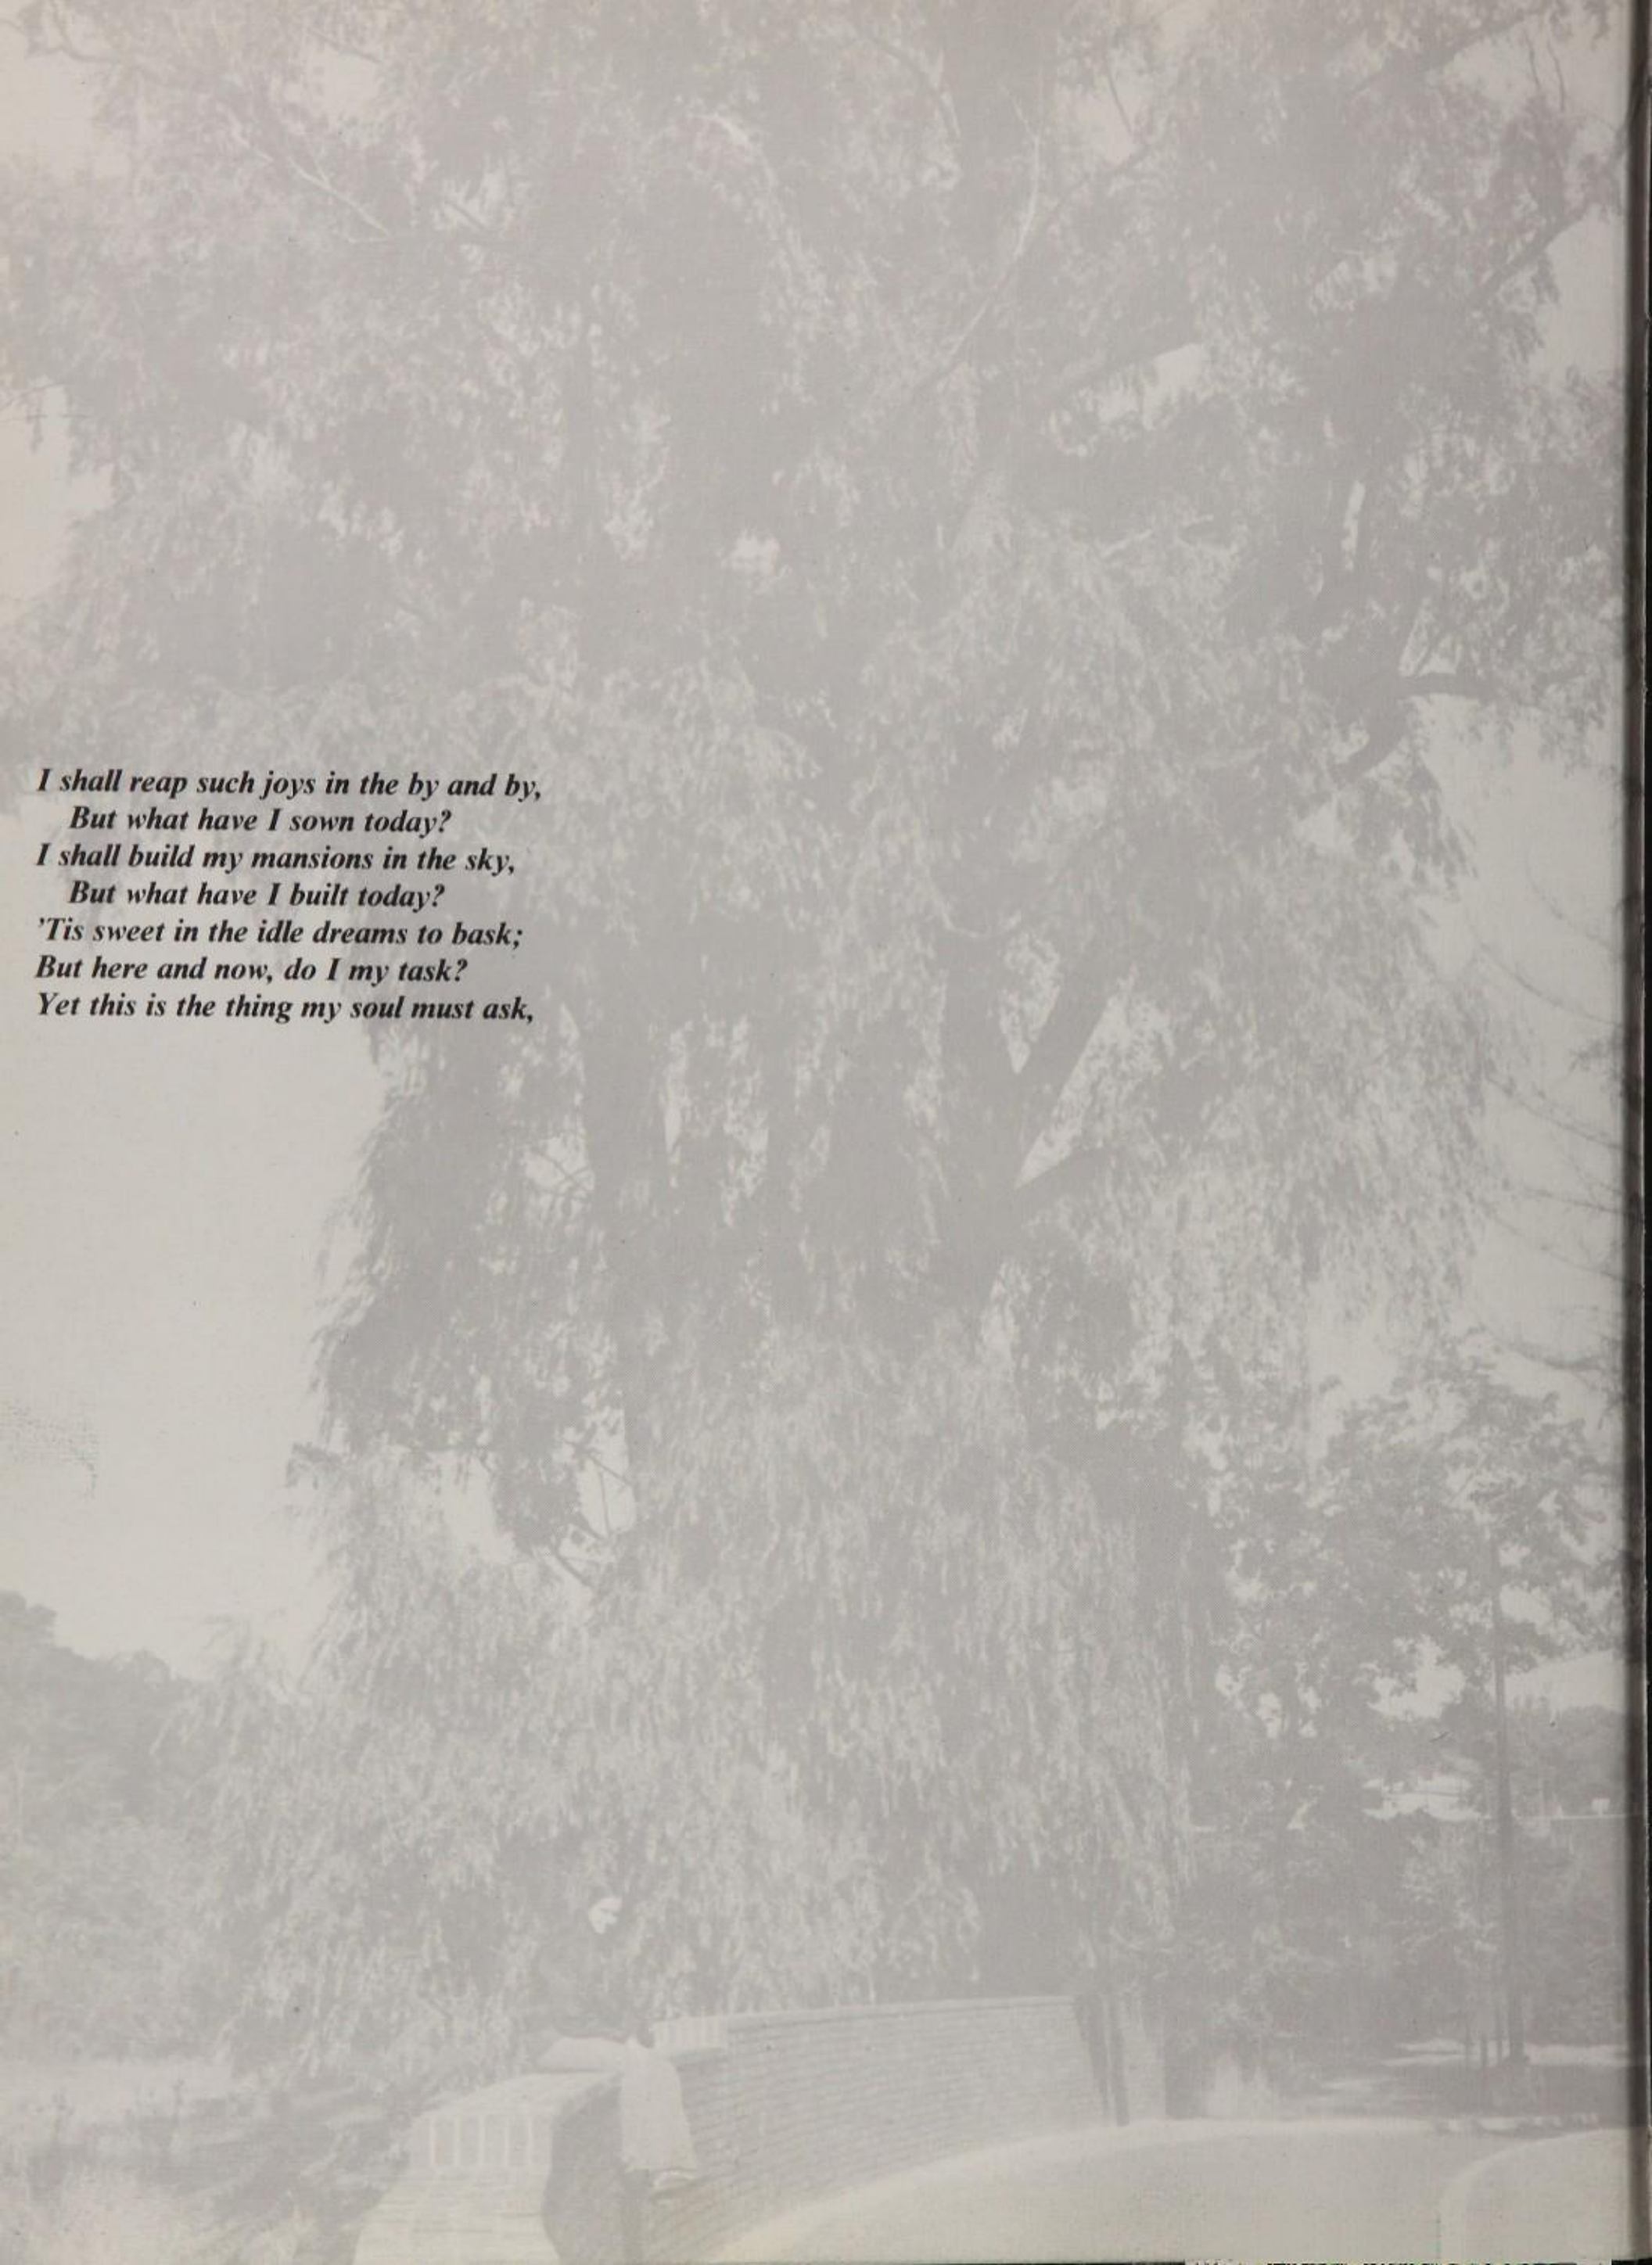
I shall give my gold in a princely sum,
But what did I give today?
I shall lift the heart and dry the tear,
I shall plant a hope in the place of fear,
I shall speak the words of love and cheer,
But what did I speak today?

I shall be so kind in the after while,
But have I been today?
I shall bring to each lonely life a smile,
But what have I brought today?



I shall give to truth a grander birth,
And to steadfast faith a deeper worth,
I shall feed the hungering soul of earth?
But whom Have I fed today?





I shall reap such joys in the by and by,
But what have I sown today?
I shall build my mansions in the sky,
But what have I built today?
'Tis sweet in the idle dreams to bask;
But here and now, do I my task?
Yet this is the thing my soul must ask,

What have I done today?

Dedication

For his ability to understand, sympathize, and cooperate, to be cheerful patient and helpful and above all for his friendship, the class of 1973 dedicates this yearbook to Mr. Fred Belchikoff.

Appreciation

For their enthusiasm,
understanding and friendliness—
For their hard work and long hours—
For their guidance and dedication—
The class of 1973 would like to show
its appreciation to Dennis Sizemore
and Bart Wendell.

Football

This year's team was the best team in over a decade of G.H.S. football. Under the fine leadership of Coach Mike Ornato and Capt. Pete Carino, the cardinals captured the Western Division Championship and the right to represent their division in the FCIAC championship game. The members of the team were all outstanding. They all learned to share moments of victory & defeat. It was with much luck, for all the team members, to share the great experiences that this season of outstanding play provided them.

Record: 9 wins, 1 loss

Soccer

The Soccer team of 1972 might be called a disappointing one. Under the first year leadership of Coach Dick Canfield, the team compiled a 5-6-2 record. It was a highly talented team led by Co-Captains Mack Shaffer and Doug Doores. The Team beat 3 of the toughest teams in the league but couldn't put it together against the lesser clubs. Coach Canfield did a fine job and the 25 varsity members gave 100 percent.

From the 1972 team, Mack Shaffer was named to the All-County second team and David Rosenburg, Gerhard Mayer, Doug Doores and Chris Larson received honorable mentions.

Cross Country

Cross Country finished strong in completing a dual meet season of 14 wins 1 loss. Greenwich again retained its FCIAC County title by beating Powerhouses of Danbury and New Canaan. In competing in the CIAC championship races Greenwich finished 3rd finishing after Simsbury and East Hartford. In the State Open Championship Greenwich finished 6th with Sophomore standout Dick Williams finishing individually 15th. Also three of the school's best runners, Mack Johnson, Bob Burton, and Dick Williams were winners on the FCIAC all County Cross Country Team.

Basketball

The Basketball team had another one of those years when a team with high potential didn't produce many victories, even though the new Head Coach, Roger Pendland, did his best to find the players for a winning combination. The final record wasn't a true reflection of all the hard work done by the coaches and players. All that is left now are the memories of this season and the hope of a better one next year.

Wrestling

This year the wrestling team put it together for a 9-5 overall record to improve wrestling in GHS from last year's 3-9 team. The team was led by co-captains Tom Murphy and State Champion Bill Colucci. Other outstanding performers were Tom Sloat, John Boyton, Dave Oldham, Mark Leuhrs, and Bob Quatrone. The team won the honor of 2nd in Western Division competition along with other honors in Sectional and State competition.

Hockey

This year's hockey team had a good season ending with a 13-5-2 record. Although a few of the losses were unfortunate, in many other games the team came through with flying colors. Goalie and co-captain Mike Swenson had a tremendous season with a lot of help from co-captains Lou Berizzi and Peter Corrigan as well as excellent defense and lines. Coach Miller's team provided many good games for GHS supporters and they are looking forward to the same success next year.

The GHS ski team, in their first year of full competition, was leading the league with an 8-0 record as of winter vacation. They defeated last year's league champs, Staples and Weston and were on their way to winning the Connecticut Interscholastic League for 1973.

The team is not yet a varsity sport at GHS, so they supported their season by fund raising. This year's course setting fees and lift ticket prices were paid with money earned in a ski raffle, held in November. A special three day practice, held at Bromley Vt. over Lincoln's birthday weekend, added skill and unity to the team. Next year they hope to expand their efforts and do an even better job on the slopes than this year.

Swim Team

Coach Terry Lowe and tri-captains: Andy Sherman, Scott Shepard, John Matush.

Swimming, Success, Victory and State Champs have all become synonyms when you talk about the GHS Swim Team. Under the spectacular coaching of Terry Lowe and experience of tri-captains John Matush, Scott Shepard, and Andy Sherman the swim team did it again and won just about everything they could, broke records almost everywhere they went, and had the most fun possible while doing it.

Baseball

With co-captains Jeff Fox and Jeff Price and a lot of other talent from last years team the baseball season has the potential for being a championship year. The members of this team have played a lot together and have a lot of experience not to mention the fine coaching by Tom Deneen. This is surely one of the most outstanding GHS baseball teams.

Bill Lowe goes for second base.

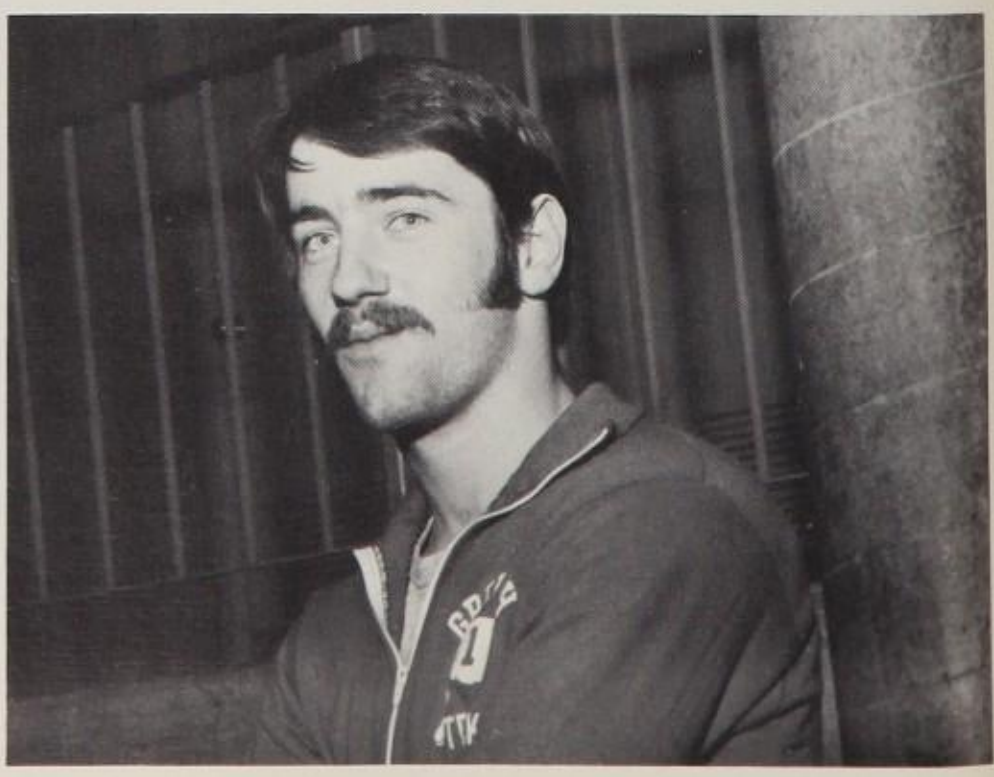
Indoor Track

Front Row l-r: Coach Mike Makarewicz, Tony Lynam, Bill Klump, Paul LaVeau, Tim Dansdill, Mack Johnson, Will Johnston. Row 2: John Gentri, Steve Benz, Kirk Mertz, Tom Johnson, Paul Thibault. Row 3: Rick Wellington, Ray Bennett, Frank Carr, Yuzo Sato, Pete Wolff, Fred Rossetti. Row 4: Joel Reid, Bob Burton, Dirk Williams, Vic Thibault, Tom Ryan, Mike Radcliffe. Missing: Dave Saxton, Don Smith, Rick Van Hoesen, Andy York, Martin Callé, Terry Dansdill, Tom Peak, Mike Rice, Doug Rowan.

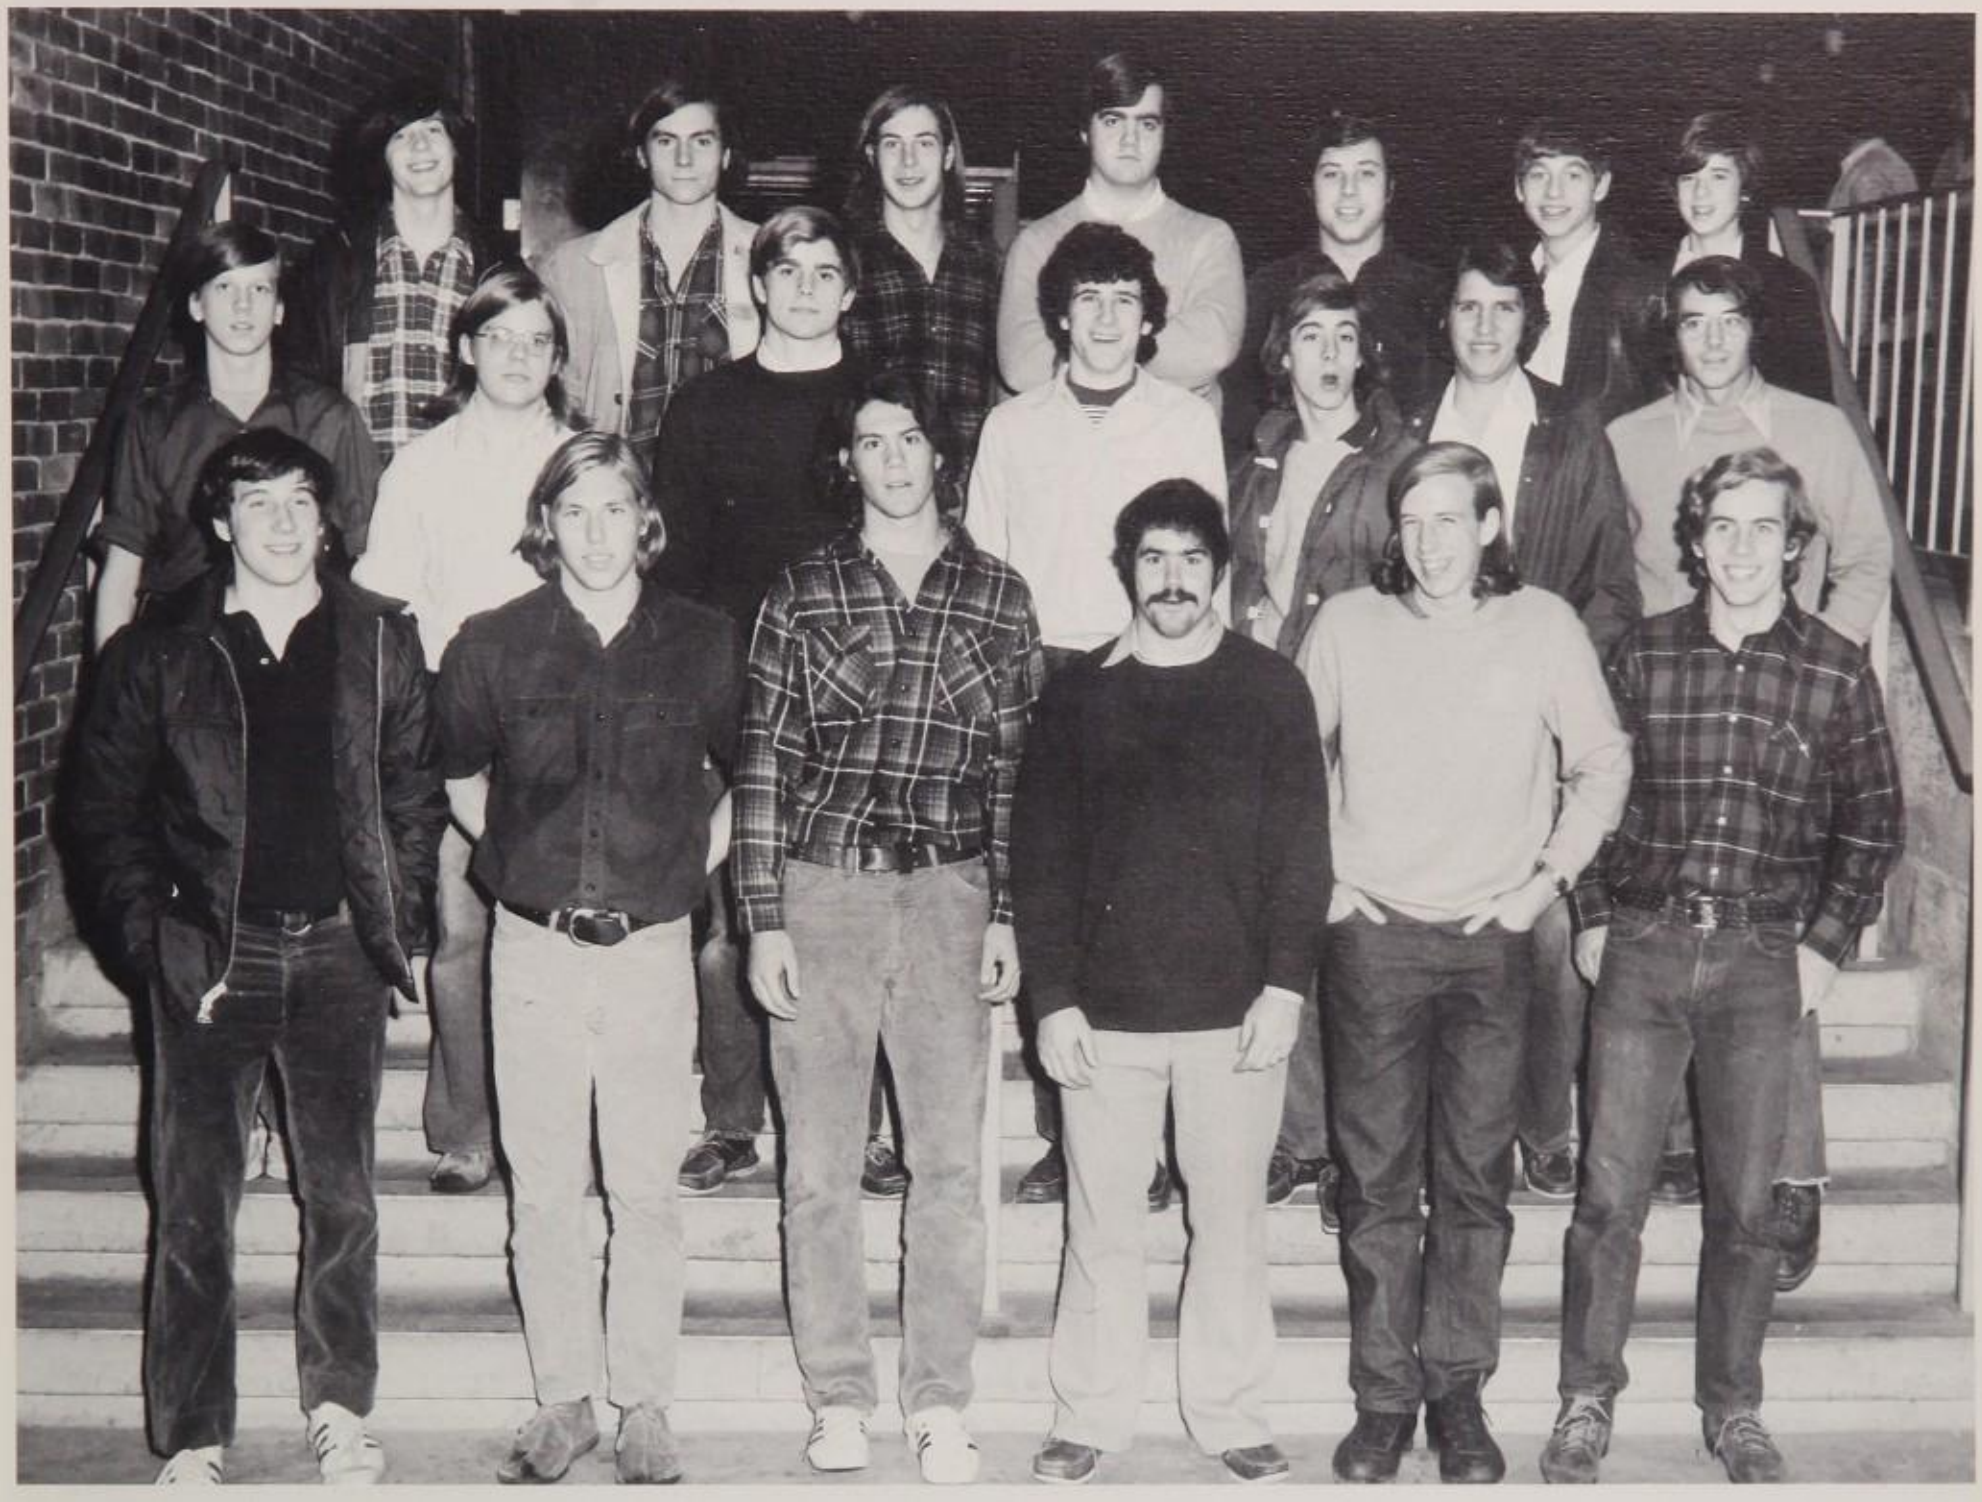
Indoor Track has finally gotten the recognition it deserves. The members of this team run everyday after school in hopes to improve their bodies and minds, like all true athletes. They train for a state meet held once a year for indoor track competition, the rest of the year is spent going out for Cross Country or Track teams. Coach Makarewicz has once again done a fine job in organizing and coaching the team, but a lot of the credit for the teams success goes to the individual athletes.



Tony Lynam, Captain

La Crosse

After two 4-5 seasons in the past two years, the La Crosse Club hopes for a very successful season this year. Their coaches will be Mr. Monetti and Dick Bond, and they, and the members of the club hope that in the future, La Crosse will become a varsity sport.



Front Row l-r: Lou Berizzi, Capt.; Nils Radburg, Steve Sutton, Brian Welch, Bill Langan, Jerry Prial. Row 2: Ron Stover, Scott Sietz, Pete Stisser, Mark Shaffer, Rick Izzo, Chris Demas, Coach Dick Bond. Row 3: Jonathan Seely, Bill LeFevre, Chris Seely, Bill Wickham, Bill Mulhall, Duncan Toll, Phil Weber.

Golf

Coach Rick Osvick has one of the most experienced teams in the state. A lot of this year's team members were veterans from previous years. The GHS golf team provided the most competition to opposing teams than any other and therefore produced an excellent record to show for it.

From left to right: Jim Rossetti, Jeff Mahoney, Bob Leverich, Roy Sjolund, Bob Roney, John Barbour, Coach Rick Osvick.

Jim Tees off.

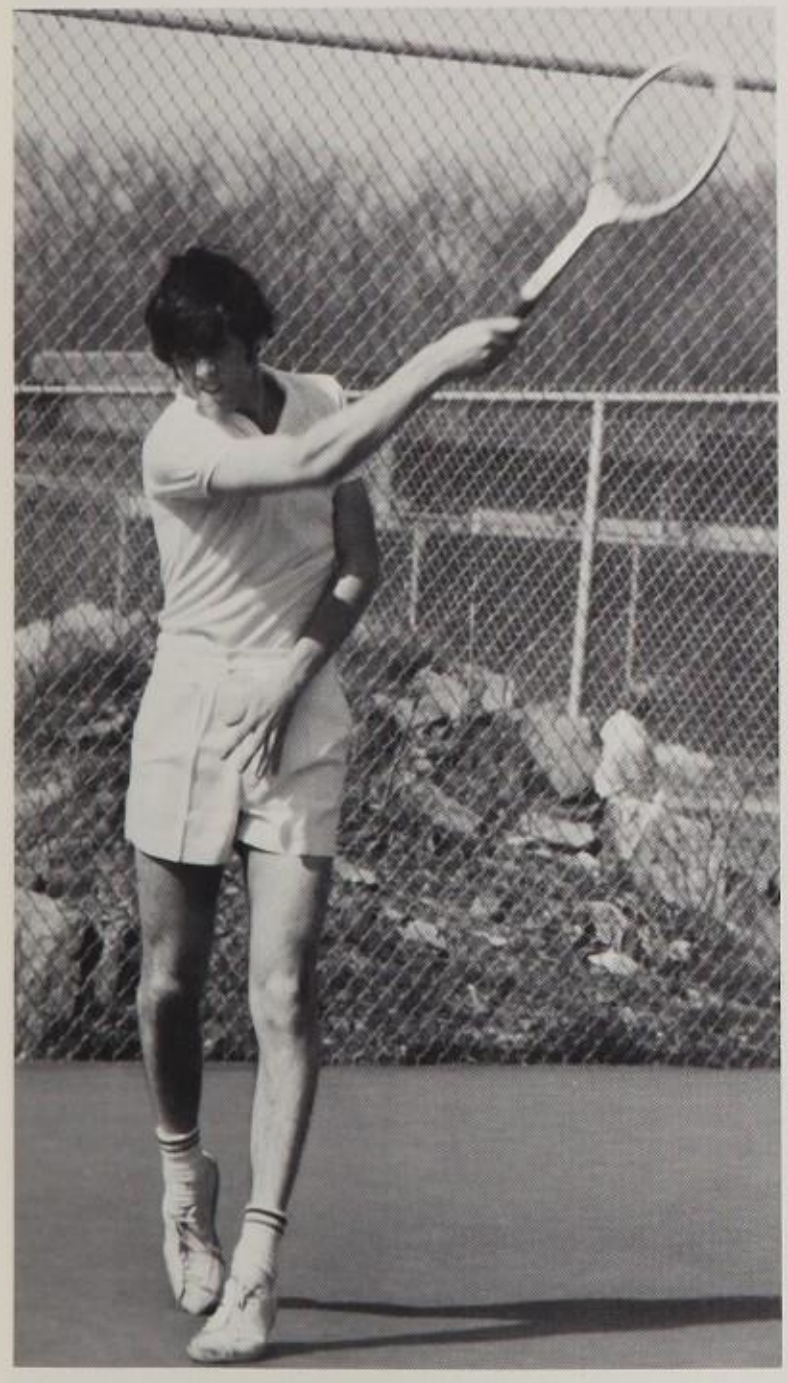
Tennis

Once again Coach Dan Barrett led his tennis team to the GHS tennis courts and showed their superb talents. The team consisted of many experienced players and the final record showed to everyone what an excellent team we had. The battle for the State Crown will still be tough as long as GHS remains on top.

Dave guides the ball.



Track

Coach Mike Makarewicz and the GHS track team all did an outstanding job. Everyone on the team performed to their very best ability which made for a rewarding season and the kind of track team that deserves to have their own track at the High School. If the track team is successful next year maybe somebody, somewhere will somehow construct a decent track and field where GHS teams can be proud to compete on.

To somebody who didn't know about the schools in Conn. that compete in Gymnastics, they would think that Greenwich was the only one. Or at least it looked like that when they handed out the awards for them and individual Gymnastics competition. Coach Dick Canfield's team took almost everything in the state and had the honor of beating arch rival Darien in the dual meet. Tri-captains Greg Goldbarth, Bill LeFevre, and Bill Enos lead the team to its many glories with help from the other members of the squad.

The Girl's Gymnastic Team had a lot of new talent this year with the sophomores and returning juniors Cindy Carmichael, Peg Gramlich, Carey Weber, seniors Paula Baptist, and co-captains Sandy Seitz and Lynn Ferris. The team had the most successful season than ever before. Helped by a new coach Miss Jeane Belles the girls' record has improved greatly. This year for the first time the girls beat Darien by more than 10 points. The team's outlook for the future is extremely favorable. Their goal is for county and state championships.

The year was a very successful one for GHS girls field hockey. Varsity consisted of girls in their second or third year on the team who worked hard and played at their best. Their work became apparent when they ended up undefeated. JV consisted of all new members who worked equally hard, but got less recognition due to their record of 4-6. Coach Sandra Prew worked hard with the girls and shared their excitement at the victory of New Canaan who hadn't lost a game in four years.

The girl's Varsity basketball team opened their season with a winning streak, as they beat Stamford Catholic, Ridgefield, Norwalk, and Rippowam. However, they closed the season with a 4-4 league record, having lost to Staples, Stamford, McMahon, and Ludlowe.

Coached by Miss O'Toole, the girls displayed more accurate shooting than most of their opponents. Although lacking in height, the cardinals compensated by working an efficient zone defense, with fierce rebounding that helped them master the fast break. These girls spent every afternoon in the gym working out; the daily sprints were the most popular of their warm-up exercises. Team co-captains were Sally Fitzgerald and Phyllis Robinson.

With an initial try-out of 106 girls and a final number of 50, the Girl's Varsity Swim Team was a surprisingly close group. Perhaps this was because they suffered through a disappointing (2-7) season together. With two losses by a three point margin and several other meets that came down to the last relay, the season was a suspenseful one.

On December 2, 1972 the GHS team, captained by Maddy Townsend and Maeve Carr, participated in the state championships for the first time. They finished 8th reversing some regular season decisions.

The season was officially ended with the team's participation at the Girl's Athletic Association Banquet. Many parents were there to see the letters given out and the special awards bestowed. The award for the most improved went to Deirdre O'Malley, coach's award to Judy Honulik, and most valuable to co-captains Maddy Townsend and Maeve Carr.

Co-captains: Maeve Carr and Maddy Townsend

Volleyball

Girl's Varsity Volleyball in its second year of existence, finished the season with a 7-3 record, a great improvement over last years 1-4. Varsity co-captains Jeanette Andrews and Sally Fitzgerald, junior varsity co-captains Chen Moffat and Lynne Kelly have helped make the season what it was. J.V. was undefeated and finished up in first place in league standings. Varsity finished in second place in league standings.

This past year, the leaders have assisted the physical education department in the swimming classes and the lifesaving classes. They have also done the timing at swim meets and the scoring at synchronized swim meets.

G.A.A.

The Girls Athletic Association is made up of a group of girls who work hard trying to promote all sports in GHS. The club, designed also to assist athletic activities and girls sports teams, awards a scholarship at the end of the year to a deserving GAA member planning to teach Physical Education. A growing, active group, GAA should be able to continue to promote high standards in athletics.

"To promote sound athletics and good sportsmanship" is the motto of the GHS Varsity Club. This year and in the past they have lived up to this motto in many different ways. In addition to the annual Faculty All-Star Basketball game, the club contributed six hundred dollars to the swimming scoreboard fund, supervised athletic events and sold pennants and shakers at football games. They also held a raffle and sold candy to raise money for the All-Star game and for a concert held at GHS.

NHS

"I pledge myself to uphold the high purposes of this society to which I have been elected, striving in every way by word and deed to make its ideals the ideals of my school and of my life." Every member recites the preceding pledge on being inducted to The National Honor Society. Since that first day of induction, the club has participated in many activities, (in school and out), some of them being attending a Political Saturation Day, helping in the carrying out of College Day, providing a Tutoring Program for all GHS students, and having a Book Fair. In the spring, the club is planning on having an Educational Experience Day, in which the entire GHS community will participate.

Co-Presidents: Bill Booth and Barrett Ashton.

A newly inducted member, Sandy Seitz.

The National Art Honor Society is a group of creative individuals selected for their artistic interest, and the quality and variety of their work. The group is involved in school activities such as Homecoming, the Christmas Bazaar and Art Nite. Some of their time is spent in studio work and seeing art exhibits in galleries and museums.

INTERACT

Interact has several unique qualities, seperating it from the other service groups at GHS. It is the only co-ed service group and it is the largest. Although the other clubs require interviews, anyone willing to work is welcome in Interact.

This year, Interact has held their annual car rally, sold class T-shirts, distributed Thanksgiving baskets, helped the Red Cross, and redone the recreation room at Wilbur Park. Presently, the club is trying to establish a scholarship at the Maru-a-Pula school in Africa where, two years ago, the club contributed to finance the building of the school.

This year, as Key Clubbers, we have grown alot. We have seen success and failure (the Eat-In, the phonebook), hot and cold (cutting grass, shovelling snow), the value of a dollar (football concession stand, jellybeans), and some good hard work (Post Road cleanup, recycling). We have worked hard and played hard. We have painted, eaten, scrubbed, sold, swum, passed-out, sung, and laughed. But most important of all, through group projects, and working with Interact, Link, Signettes, underprivileged children, and older folks of all ages, we have learned to get along with others and the true meaning of service.

Signettes

The smile we bring to those we aid
has helped us learn to live and grow
As immature selfishness seems to fade.
The satisfaction of serving we now know.

We are frequently minunderstood
Because the work we do is often unseen,
But those we serve think our work is good,
So in our hearts we are serene.

Paper Volleyball Club

Paper Volleyball, a dynamic new sport conceived by the captain of the GHS team, Craig Wells, is a basically non-competitive sport which involves all aspects of sportsmanship, individual skill, ability, and team work. The specially produced paper ball is kept in the air by the team members, arranged in a circle. Any part of the body may be used to volley the paper ball and the score is determined by the number of hits the ball receives before it touches the playing surface. Great aspirations are held by the members for next year's paper volleyball season.

This committee is the student's voice in choosing books for the Media Center. Meeting once a month and using a small budget from the Media Center, it selects for immediate purchase books of all kinds which have not been bought by the staff or which are so new that regular orders have not yet been placed. About one hundred books were bought in this second year, ranging from science fiction, "The Official Frisbee Handbook," and "Bike Tripping" through political science, anthropology, art, history and psychology to "Sisterhood is Powerful," "National Parks of the World," "The Rock Encyclopedia," and "Fire in the Lake." Choices are made freely by concensus of the students at each meeting.

Though the membership of Future Teachers of America is low, their spirit is very high. They have made wooden blocks for a daycare center, and are now in the process of planning many other projects dealing with various daycare centers. In addition to this, they often have guest speakers come to school to talk to them of teaching experiences.

Making the most of its freedom from tradition, the Greenwitch is continuing to change. New things are being added and a lot more of the work is being done by students. Through the Greenwitch we can share something of ourselves with each other. It's close, and hopefully very soon will be a true expression of the students of GHS—revealing what's underneath the cloud of smoke, behind the glass and brick, and inside the faceless crowds—because hidden under all this is something unique and very special.

Beak

At times controversial, this year the "Beak" has consistently presented students with topics of interest and importance. The informative news and sports, combined with stimulating feature articles, have made the "Beak" one of the finest high school papers in the country.

Such regular columns as "Gentlepeople", describing those revolting women; "Avery's Auto's", steering interest toward cars; "Poor Richard's" gems of wisdom; and the flabbergasting "Feeney's Follies" all contributed to a sense of funky jive.

With such inspiring editors as Laura Abbott and Lyn "Wildcat" Nadel, the entire newspaper staff was motivated to the pinnacle of journalistic excellence. Special thanks to faculty advisors Russell Doyle and Robert Evans for helping to plan creative and responsible articles.

The members of the "Beak" staff were recently seen standing on their heads and belching out the following: "The 'Beak' has been an unforgettable experience. It has been sputter wonderful knowing all the big red bing bong waffle writers. Our lives have become a little richer from knowing woof woof each other. Golly wolly zoom zoom, we must be losing our heads. I'm singin' in the rain, just singin' in the rain. What a glorious feelin', I'm happy again . . ."

SRO

Does anybody know where the gymnastic meet is?

"Brilliantly Done"

The class of 1973 gave a rousing salute to the past, present and future (they even threw in "Never" for good measure) when SRO opened last night at Greenwich High School. The name was particularly meaningful as there truly was standing room only at this opening performance.

A cast of what seemed like thousands maintained a brisk pace in the gala presentation which was a pot pourri of nearly every known theater gimmick. Bright entra-acts featured clowns on unicycles, zesty spoofs on television commercials and the like.

Tremendous production numbers were staged, seemingly with the greatest of ease. Students emerged and disappeared from every exit and entrance in the auditorium. Everyone seemed to know exactly what they were doing and things proceeded in most fantastic order.

... Actually, the entire area of costuming was cleverly thought out. The cast, in many instances did not appear to be in costume, but amid this casual attire, there was a definite plan.

The music in this year's show had a lot of punch—many good tunes, some of which were certainly original. Every skit and each spoof that was played was given in good fun and the performance contains a surprise a minute.

One thing that was apparent in this show was that the class of 1973 at Greenwich High School is an optimistic one. They are a bunch of young people who are not afraid of hard work, a group with some very clever writers, musicians and technicians, and a class with great spirit. What more could you want?

FACULTY

John N. Bird, Headmaster

During the past three years, we, now seniors, have grown with this school. Mr. Bird has travelled the same route with us. Together we've experimented, trying different roads to make our school a good place to be.

One of Mr. Bird's favorite sayings is, "We must come to grips with the problem." He has done just that since coming to GHS. He has brought us safely through parental attacks against the school; he has held student, faculty, and parent retreats; and has held advisory board meetings to solve the problems. Mr. Bird doesn't spend all his time doing headmaster work in his office though. Well know as one of GHS's most faithful fans, he attends many athletic events, crowns homecoming queens, speaks on the radio and at assemblies and graduations, and can always be seen in classrooms watching us at work and at play. Mr. Bird has not only proven himself to be a truly great administrator but a good friend, too. We all do thank him for helping us to have three very enjoyable years at Greenwich High School.

The yearbook—it's the creation and the celebration of friendships.
Potentially, the yearbook staff can metamorphose its experience
into a book that is surprising, original, beautiful.
The people at O'Toole's know how to liberate that potential.
So you needn't go south or west to find someone to entrust your yearbook to.
